

## **Massage Protocols**

Thank you for your patience during this time. As I open my doors, there are several protocols that I must inform you of. These measures are to maintain your safety and mine. These measures are not optional, and your cooperation is required to ensure that everyone remains safe and healthy.

Please review the information below and do not hesitate to contact me if you have any questions or concerns.

### **Before your appointment**

The day before your scheduled appointment, I will contact you by phone or text to screen you for symptoms of covid-19 using the Ministry of Health's COVID-19 patient screening document. If you have certain symptoms, your appointment will be cancelled. I will happily reschedule your visit following the required 14-day period.

### **The day of your appointment**

The day of your appointment, you must wait in your vehicle and may not enter my house until I signal you to do so. Unless previously agreed upon, please do not bring anyone else with you to your appointment. Do not be alarmed when I wave to you wearing a surgical mask; I am wearing one for my and your protection.

Upon entering the clinic, you will be asked immediately to wear a mask (I will provide it if you do not have one) and wash your hands in my bathroom. Next, I will screen you once again for symptoms of covid-19. If you have no symptoms, we will then commence the treatment. If you have any symptoms, you will be

(705) 737-7365

asked to leave the premises and the treatment will be postponed to a later date. The screening results will be noted in your confidential health history file.

### **During the treatment**

If you are required to sign the sensitive areas consent form, it will be placed in the treatment room on a chair with a pen. The clipboard and pen will be disinfected prior to your arrival.

While you are getting on the treatment table, I will be washing my hands, forearms, and elbows for 30 seconds. Upon entering I will use a towel to open the door as to not contaminate my hands. Following the treatment, I will use a towel again to open the door and leave you to dress. During that time, I will wash my hands, forearms, and elbows again.

### **After the treatment**

Once you are dressed, please tell me to enter. Your receipt will already be printed. I will ask you to wait in a chair while I enter your information into the payment processing machine, then I will step back so that you can pay for your treatment using a debit or credit card. When you are done paying for your treatment you may then leave the premises.

Please book your next appointment online using my online appointment book at the following website <https://www.belrozemassagetherapy.com/>.

### **Additional measures I am taking to reduce risks**

Once you leave, I will safely remove all the linens from my treatment room and place them into a sealed bag. My laundry will be sent to my linen service and cleaned following approved cleaning standards. The treatment table will be thoroughly cleaned, and all surfaces contacted by clients will be washed and

(705) 737-7365

disinfected. This includes doorknobs, taps, sink, light switches, chairs, payment processing machine, lotion bottle, table cleaner bottles, etc.

For your safety, I will wear a new apron for each appointment/treatment to reduce the risk of cross contamination between clients.

Every morning I will be cleaning the bathroom, entrance and treatment room using disinfectants approved by Health Canada and noting all procedures in a stringent cleaning log.

All appointments will be scheduled with at least 30-minute break between session so that I have sufficient time to follow the new cleaning protocols.

Because I am practicing from my home, I will also be screening my family daily. If anyone in the household has any signs and symptoms, you will receive a phone call or an e-mail notifying you that your massage has been cancelled.

### **Concluding information**

If you have any questions or concerns, feel free to contact me at 705-737-7365 or at [berlozemassagetherapy@gmail.com](mailto:berlozemassagetherapy@gmail.com) .

Thank you for understanding and patience during these challenging times.

Stay safe and healthy,

Mary-ellen Rozon, RMT
